As noted in previous newsletters, our performance week is scheduled to take place from MAY 26th - June 1st INCLUSIVE. Dress rehearsal and performances will take place at the Oakville Centre for the Performing Arts – 130 Navy Street, Oakville. The younger students in the school will not participate in all rehearsals and performances during the week. We hope that this will help to make the week enjoyable for everyone – allowing the children to experience the magic of dancing on stage without having it be too overwhelming for them.

Please find attached your first JUNIOR INFORMATION SHEET. You will receive this for each class that your dancer is enrolled in. An updated information sheet containing costume/hair/make-up details will be handed out closer to the show.

PLEASE READ THIS INFORMATION CAREFULLY. It contains important dates for rehearsals and performances specific to your child's class. Make particular note of which day(s) your child performs to ensure that you purchase tickets for the correct performance time(s). We have done our best to place siblings into the same time slots when possible. If your dancer takes more than one type of dance please check your sheet(s) with extra care.

If your dancer is scheduled to perform in more than one show, please note that she MUST be present for ALL performances listed!

YOU WILL ALSO RECEIVE A PERFORMANCE HANDBOOK. This booklet contains important information and details events leading up to and including Show week. Please save your copy to refer to as needed.

We recognize that there is a lot to take in – especially if this is your 1st performance with us and we are more than happy to answer any questions 😊
