- Dancers age 12 and up should bring their QR code proof of vaccination

Theme of the Month

After a month of fun on Zoom, we are ready for February, and you guessed it, the theme of the month is LOVE. We will work on expressing our emotions through dance, talk about how our hearts are feeling, and choose our favourite dance movements to perform in class.

LOONIE FOR LOVE WEEK From **TUESDAY, FEBRUARY 7TH TO MONDAY, FEBRUARY 14TH**, dancers are invited wear red/pink and white to class to celebrate Valentine's week. We will also spend some time creating dances with 'love themed' choreography. Dancers are also encouraged to bring a loonie donation to class (we will have a box to drop your loonie) to raise money for the Heart and Stroke Foundation!

Family Day Weekend

We will be closed from Saturday, February 19th- Monday, February 21st, inclusive for the Family Day weekend
